

Exploring the Land Together

Join BRFN members, Elders, and partners
(SwampDonkey, Falcon & Swift Geomatics)
for three days visiting key sites in Pink
Mountain and Grizzly Creek.

September 3-5, 2025

**Sites include Grizzly Creek HV1, Attic Creek,
South Sikanni Rd, and 135 Rd area
(UTV & truck access, easy walking)**

We'll explore landscape recovery after disturbance, share Indigenous & Western Science perspectives, and discuss areas needing restoration for wildlife and Treaty Rights.

Why Join

- Share land knowledge
- Guide restoration decisions
- Learn from community & science

What to Expect

- Truck & UTV travel to sites
- Light walking on uneven terrain
- Honourarium for participants
- Attend all 3 days or part-time
